

MASTER OF MATHEMATICS EDUCATION

*A Joint Degree under the Meta University Concept by
University of Delhi & Jamia Millia Islamia*

OBJECTIVES

- *To move away from the conventional pedagogy of teaching mathematics especially at school level and to include methods of facilitating learning such as storytelling, projects, group work and participative learning.*
- *To use technology as significant aid in learning.*
- *To impart knowledge of some basic concepts and principles of the discipline.*
- *To establish inter-disciplinarity between mathematics and other subjects from Humanities and the Social Sciences.*
- *To encourage collaborative learning through group activities and hands-on learning.*
- *To provide in-service training for school teachers.*
- *To learn to apply mathematics to real life situations and help in problem solving.*
