

Programme Outcomes
B.A. Honours (Humanities & Social Sciences)

- PO1 Inculcate the inter- and trans- disciplinary approaches to students for better understanding of the society and the problems it faces.
- PO2 Bring out the holistic solutions to the social problems especially in the clusters of education, industry, slums and villages and implement these solutions through intervention in tandem with public, private and non governmental organisations.
- PO3 The students will be able to develop the attitude of social entrepreneurship and social innovation.
- PO4 The program will help in bridging the gap between the academia, industry and society through practicals, projects and social experimentation.
- PO5 The program will help students to develop the approach of critical thinking and provide them an exposure to research at undergraduate level.
