

B.Tech. & M.Sc. Classes from 16th March 2020 to 31st March 2020

The classes from 16th to 31st March 2020 will be held through online platforms as per the time table. The study material on a weekly basis for B.Tech. (IT & MI) and M.Sc. (Mathematics Education) students is being shared on the Google drive or by Email. We will discuss through WhatsApp or email so please check your email or WhatsApp group from time to time to get new updates. Also, I had given some assignments before semester break. Please complete your assignments and upload the reports and other files on the Google drive. We will cover the following topics.

1. B.Tech. (Sem. VI - VI.6.2 Control Systems) :

-  State space representation of models
-  Controllability
-  Routh–Hurwitz stability criterion in s-domain

2. M.Sc. (Sem. II - II.1 Demystifying the power of data: Probability & Statistics) :

-  Method of point estimation
-  Tests of statistical hypotheses, one sided and two sided hypotheses and P-values in hypothesis tests

With Regards

Dr. Harendra Pal Singh
