**Cluster Innovation Centre
University of Delhi**

Cluster Innovation Centre University of Delhi, India

No. DUDIC/RPL/ENQ/2016/01

Date: 31.05.2016

Sub: Expression of Interest (EOI) for “Supply, Installation and Maintenance of 3D Printer” at Cluster Innovation Centre, University of Delhi

Sealed Expression of Interest (EOI) are invited by Cluster Innovation Centre, University of Delhi from Original Equipment Manufacturers (OEM) or their authorized distributors or vendors / suppliers with adequate credentials for supply, installation and maintenance of 3D Printer at Cluster Innovation Centre, University of Delhi (CIC, DU).

The EOI document is available at institute website www.du.ac.in (link: Tenders). The tentative cost of the equipment is **Rs. 20,00,000/- (Rupees Twenty Lakhs)**.

CIC, DU will examine the credentials of OEM or their authorized distributors or vendors/ suppliers based on the documents submitted and verify the experiences, turnover, list of satisfied clients, financial soundness and certification etc. and scrutinize the EOI submitted by them.

Interested OEM or their authorized distributors or vendors/ suppliers may submit their sealed EOI documents as per Pro-forma in Annexure-II. They must submit non refundable participation fee of Rs.1000/- (Rupees one thousand only) by Demand Draft drawn in the favour of **‘The Registrar, University of Delhi’** payable at **Delhi** along with EOI documents under a sealed envelope superscribed with **“Expression of Interest (EOI) for 3D Printer”** by post or handed over to the office of the undersigned on or before **June 14, 2016 by 15:00 Hrs.**

The EOI proposal will be opened on **June 14, 2016 at 16:00 Hrs.** Interested vendors may kindly be present at that time. Vendor’s presentation will be held on **June 16, 2016 at 10:00 Hrs. at the Committee Room, 1st Floor, Design Innovation Centre, DREAM Building, Gate No. 4, University of Delhi (North Campus) Chatra Marg, Delhi - 110007.**

The Director, Cluster Innovation Centre, University of Delhi reserves the right to reject any or all the offers without assigning any reason. Any attempts on the part of contracting firms to influence, negotiate, directly or indirectly with the institute will lead to exclusion from consideration and vendor may be debarred from tendering process in future.

Director
Cluster Innovation Centre, University of Delhi

1. Introduction

Cluster Innovation Centre, University of Delhi intends to set up a Rapid Prototype Lab to facilitate mock up and design process. Original Equipment Manufacturers (OEM) or their authorized distributors or vendors/suppliers, who have adequate credential for supply, installation and maintaining 3D printers may submit EOI for the purpose.

2. Eligibility Criteria

- I. Name, address and contact details of present and past satisfactory services of **minimum three clients** to whom such equipments have been supplied.
- II. The OEM or their authorized distributors or vendors/ suppliers should have at least **five years of experience** in similar volume of works of supply, installation and maintenance of 3D Printers.
- III. A **Certificate** (notarised affidavit in Rs. 10 Stamp Paper) to be signed by MD/ CEO/ authorized signatory of the company that they have never been debarred or blacklisted for any services, supplies or products dealing in, by any organization or educational institutes/ universities.
- IV. **Turnover and Profit:** Average annual financial turnover should be at least 5 times of the estimated cost during the immediate last 3 consecutive financial years (ending with March 2016). Summary of annual average turnover and net worth (copy of audited statement of accounts/ balance sheet for the last three financial years ending with March 2016) be submitted. The company must be profitable during all these three years.
- V. The suppliers should be enough capable of demonstrating the proposed system at Cluster Innovation Centre, University of Delhi.

3. Scope of the work

The Cluster Innovation Centre, University of Delhi is planning to equip a Rapid Prototype Lab and intends to purchase user friendly, Additive Fabrication Technology 3D Printer injecting liquid based photo polymers to create ultra-thin uniform layers using a non-laser based technology. The technology should be capable of creating highly accurate and good surface parts for Form / Fit and functional usage. The printer should be capable of printing multiple materials.

4. General Note

- I. The OEM or their authorized distributors or vendors/ suppliers must submit the documentary proof in support of meeting the eligibility criteria. Simply an undertaking by the vendors for any item of the criteria shall not suffice the purpose. All the documentary proof must be listed on the letter pad of the company and enclosed in a cover to be submitted with the EOI proposal. Original product brochure must be submitted to corroborate this.

II. In case the due date for opening the EOI document and the date of presentation happens to be holiday, the same will be notified on the website. The timing will however remain unchanged. Please note that the Institute remains closed on Saturdays and Sundays.

III. Preferences will be given to companies having national presence and ISO Certification.
