

Talk on
“Building Inclusiveness in PBL: Challenges and Outcomes”

Prof. Kavi Arya, IIT Bombay
28th March 2017 (3:00 pm)

Prof Kavi Arya is broadly working in the area of Embedded Systems - teaching and research at IIT-Bombay. He along with his colleagues has established an "Embedded & Realtime Systems" lab working on safety critical systems for various industries including process industry and the automobile industry.

For the past five years he is successfully running the MHRD project eYantra. e-Yantra conducts an annual online competition, e-Yantra Robotics Competition (eYRC) which incorporates a Project-Based Learning (PBL) methodology to train students to implement a robotics project in a step-by-step manner over a five month period.

In his talk he will discuss with the students some concrete projects successfully undertaken by undergraduate students and illustrate the outcomes and challenges.

Date: 28th March 2017

Time: 3:00 pm – 4:00 pm

Venue: Seminar Room, Ist Floor, Cluster Innovation Centre

You are all cordially invited for the talk.
